Please provide ALL of the following information about the person being nominated.

1. Outstanding service and contributions to the college community.

Mariana is an outstanding member of the CHC community. Her primary assignment is in the Transfer Center, where she is diligently working with students to pursue their academic endeavors to transfer. She serves on several committees including Academic Senate and Enrollment Management Strategies. She also teaches COUN100, Student Success and the College Experience.

2. Outstanding support of student success.

Mariana is an advocate for her students, she encourages each and every one of them to reach for the stars! She is constantly coordinating with 4 years universities, whether it be for field trips, conferences or our on-campus Transfer Fair. She wants all of our

students to have the opportunity to advance and succeed. She wants them to know that Crafton is not their last stop, but their first.

3. Any additional criteria deemed significant.

I had the opportunity to work with Mariana this summer when we were both teaching dual enrollment courses at RHS. She arrived every afternoon with a smile on her face and stack of papers under her arm. She is genuinely devoted to student success and these high school students were no exception. We shared lesson plans, collaborated on projects and joined our two classes for a field trip. She is truly a delight to work with!
