Recent News
All NEW COURSES, COURSE REVISIONS, or NEW MAJORS/CERTIFICATES to be in the 2020-2021 catalog and **FALL 2020** schedule must be Board Approved by the December 2019 Board Meeting. This in turn means that they must be **approved** by the **Curriculum Committee by the November Curriculum Meeting.**

The submission of course outlines or programs before the November Curriculum Meeting is NOT a guarantee of inclusion, depending upon approval by the Curriculum Committee and the Board of Trustees before Schedule and Catalog publication deadlines.
