Dual Enrollment (10 mins)	GPA change recommend to change to 2.0 2.0 is state guideline. We currently have a 2.5 GPA requirement. Some concern that lowering, lowers the bar, others view it as increasing access.	Motion: to change dual enrollment GPA to 2.0 (Bailes, Allen, MSC)
Vision For Success Goals (15 mins)	Keith Wurtz Has to be submitted to the state, but the numbers from the state keep changing. Request to suggest a percentage and then it can be applied to whatever number the state finally determines. Can now choose certificate or degree, don't have to do both. Recommendation to do certificates because those are trending up. ? About consequences if we don't reach the goals? At this point, nothing. Some concern they may be tied to funding eventually.
