

This Is Your Time

prepare to

SOAR³

@ CHC

Coming Spring 2020

Crafton Hills College welcomes high school seniors to complete the CHC new student enrollment process before graduating high school through our SOAR program.

(Seniors who have attended Crafton through concurrent or dual enrollment are strongly encouraged to participate in SOAR)

**CRAFTON HILLS**
COLLEGE

Crafton Hills College
11711 Sand Canyon Rd.
Yucaipa, CA 92399

Seniors please join us at Crafton Hills College SOA³R program to complete the new student enrollment process before you leave high school.

Online Orientation provides you with an introduction to CHC and information about programs and services offered. This must be completed prior to taking the assessment.

Application to CHC is your first step to enrollment. Staff will be at your local high school to assist you with the process.

Assessment provides placement in English, math and reading.

Advising provides you the opportunity to meet with a counselor in a group setting and complete an initial student educational plan.

Registration for students who complete the SOA³R program is two steps higher than open enrollment. This means you will have a better chance at getting the classes you want.
