To learn more about possible career opportunities that match your skills, personality or interests; take one of the following career assessments. Remember to schedule an appointment with a career counselor to discuss your results and help with planning a career that is best suited for you

**All Assessments listed below are FREE to take!**

- With all assessments, **make sure you take it when you are not distracted**. Also, answer the questions with your initial/gut response. This will offer a more clear assessment result.
- When done, **print out and save your results!** You will lose your results after you close the web page.
- For best use of results, **make an appointment to see a career counselor** to discuss.

If you are a current Crafton student and would like to take the **full-length** version of the Meyers-Briggs personality assessment and/or Strong Interest Inventory, please call 909-389-3399 for more details.

#### Skills-Based Assessment:
