The screenshot shows the Crafton Hills College website. The header features the college's logo and a green bird mascot. Below the header is a navigation bar with the text '2019-2020 Catalog' and a breadcrumb trail: 'Home » 2019-2020 Catalog » Getting Started » Applying for Admission'. A dropdown menu is set to '2019-2020 Catalog' with a 'Select' button.

The main content area is titled 'Applying for Admission Student Classifications'. It includes a 'Print this page' link. The text defines three student categories: 'New Students' (never attended), 'Returning Students' (attended but did not take classes), and 'Continuing Students' (attended during the previous term). A section titled 'Who May Apply' lists requirements: being at least 18 years old, a high school graduate, having a G.E.D., or a California High School Proficiency Certificate. It also notes that out-of-state residents and international students may attend on visas, and current high school students may be admitted under special circumstances.

Below this is a 'Special Admissions' section with links for 'High School Students' and 'International Students'. The final section is 'California Residency Information', which provides a general summary of rules and refers to detailed regulations from the Board of Governors of the California Community Colleges.

On the right side, there is a search bar with a magnifying glass icon, a dropdown menu set to 'Entire Catalog', and a 'Search' button. Below the search bar is a 'Contents' table of contents with the following items: 'A Message from the President', 'General Information', 'Getting Started', 'Applying for Admission' (expanded to show 'Student Classifications', 'Who May Apply', 'Special Admissions', and 'California Residency Information'), 'Student Success and Support Program (SSSP)', 'Registration', 'What You Need To Know', 'Help Along the Way', 'What Are Your Options', 'Credit Programs', 'Credit Courses', 'Noncredit Certificates', 'Noncredit Courses', and 'Administration, Faculty & Personnel'.
