BP 5010 Admissions

(Replaces current SBCCD BP 5010)

The District shall admit students who meet one of the following requirements and who are capable of profiting from the instruction offered:

- Any person possessing a high school diploma or its equivalent.
- Other persons who are over the age of 18 years and who, in the judgment of the Chancellor or his or her designee, are capable of profiting from the instruction offered. Such persons shall be admitted as provisional students, and thereafter shall be required to comply with the District's rules and regulations regarding scholastic achievement and other standards to be met by provisional or probationary students as a condition to being readmitted in any succeeding semester.
- Persons who are apprentices as defined in Labor Code Section 3077.

The District may deny or place conditions on a student's enrollment upon a finding by the Board of Trustees or designee that the applicant has been expelled within the preceding five years or is undergoing expulsion procedures in another California community college district, and that the applicant continues to present a danger to the physical safety of the students and employees of the District.

The District shall in its discretion, or as otherwise federally mandated, evaluate the validity of a student's high school completion. The Chancellor shall establish procedures for evaluating the validity of a student's high school completion.

Admission – Any student under the age of 18 and who has not yet earned a high school diploma or its equivalent is eligible to attend as a special part-time student for advanced scholastic or career/technical education (vocational) courses.

Any student under the age of 18 and who has not yet earned a high school diploma or its equivalent is eligible to attend as a special full-time student.

Denial of Requests for Admission – If the Board of Trustees denies a request for special full time or part time enrollment by a pupil who is identified as highly gifted, the Board will record its findings and the reason for denying the request in writing within 60 days.

The written recommendation and denial shall be issued at the next regularly scheduled board meeting that occurs at least 30 days after the pupil submits the request to the District.

Claims for State Apportionment for Dual Enrollment – Claims for state apportionment submitted by the district based on enrollment of high school pupils shall satisfy the criteria established by statute and any applicable regulations of the Board of Governors.
