### Screenshot of page:

The screenshot shows the website for the Educational Technology Committee at Crafton Hills College. The page features a green header with the college logo and navigation links for Admissions, Academics, Campus Life, Student Services, and About. The main content area is titled "Educational Technology Committee" and includes a breadcrumb trail: Home » Committees » Educational Technology Committee. The page is divided into two columns. The left column contains sections for "Charge" and "Membership". The "Charge" section describes the committee's role in developing and recommending policies for CHC eLearning, reviewing and making revision recommendations for the Intro to Online Learning course(s) (CHC 062), and evaluating the process by which online instructors and courses are evaluated. The "Membership" section lists voting and non-voting members. The right column features a sidebar titled "Educational Technology Committee" with links to "Agendas and Minutes", "Committee Membership", and "Remote Education Faculty Resources as a Response to COVID-19".

**Charge**

The Educational Technology Committee is authorized by the Academic Senate to develop and recommend policies for CHC eLearning. Reviews and makes revision recommendations for the Intro to Online Learning course(s) (CHC 062), as well as the process by which online instructors and courses are evaluated. The committee reviews and approves eLearning instructors and courses.

The committee reviews the success of the eLearning program and makes recommendations for professional development to address identified deficiencies. Makes recommendations for the CHC eLearning portal. Develops recommendations related to the continued growth of the college's eLearning program to instructional support services, student services and the curriculum committee. Conducts an annual review and make revision recommendations for the CHC Distance Education (DE) plan to ensure compliance with state and national DE standards, regulations, and guidelines.

**Membership**
