A student receiving a degree in this field will be able to:

- Expressive Communication: Students will demonstrate language proficiency by signing American Sign Language at a beginning to intermediate level.
- Receptive Communication: Students will interpret visual/signed ASL at a beginning to intermediate level.
- Deaf Culture and History: Students will demonstrate appropriate knowledge of the Deaf Community regarding social interactions, beliefs, values, arts, literature, entertainment, and diversity.
- Cultural Diversity and Appreciation: Students will define the concept of culture, appreciate other cultures and interact with members of those cultures in relation to their own.

Lower division requirements for students interested in transferring to a four-year institution in this field may differ from associate degree requirements. Prospective transfer students should complete the general education and lower division requirements of the school to which they will be transferring. See a counselor for details.
