

Philosophy (AAT)

2019 - 2020

The Associate in Arts-Transfer (AA-T) degree in Philosophy at Crafton Hills College is designed to meet the needs of students transferring to a California State University who intend to major in Philosophy or a related field of study.

This plan is intended to guide you in the selection of courses but given the complexity of this process, the college does not guarantee your plan will be 100% accurate. You must meet with a counselor at the location where you intend to complete the program to have your plan reviewed and approved.

Prospective transfer students should complete the general education and lower division requirements of the school to which they will be transferring (IGETC or CSUGE Breadth). See a counselor for details. Information is also available at www.assist.org.
