## Services for Students

### Disabled Student Services

The Disabled Student Programs and Services (DSPS) office strives to facilitate equal opportunities for an education that matches the individual's abilities, interests, goals and needs.

DSPS provides specialized equipment and educational accommodation to students with verifiable disabilities so they can participate fully and benefit equitably from the college experience.

Details of all DSPS services, as well as a specialized and specific online orientation tool outlining all the services, processes, and requirements to receive DSPS services, is available through the DSPS office website.

Visit the [Disabled Student Services office website](#) for office hours of operation, or call:
