

10. Four-Year Action Plan (Goals, Objectives, Resources, and Actions)

Rubric Item: Reflect on your responses to all the previous questions. Complete the Four-Year Action Plan, entering the specific program goals ([goal rubric](#)) and objectives ([objective rubric](#)) you have formulated to maintain or enhance your strengths, or to address identified weaknesses.

In writing your objectives and developing your resource requests, take into account student learning and program assessment results. Assign an overall priority to each goal and each objective. In addition, enter any actions and/or resources required to achieve each objective. (Click here to see a definition of [goals](#), [objectives](#), [actions](#), and how they [work together](#).)

- **1 - Goal - Provide students a professional visual arts environment, tools, materials and processes which enhances the student learning experience, and leads to student understanding of professional studios' function as a safe learning environment**

Priority Rank:

5
