## ASCHC: Associated Students of Crafton Hills College

By virtue of being enrolled at the college, you are a member of the Associated Students of Crafton Hills College. If you want to get involved with student life at Crafton Hills College, consider joining the Student Senate. The Student Senate is the governing body of the Associated Students. Participation in the Student Senate offers you an opportunity to explore and develop leadership potential. You will get acquainted with students, faculty, staff, and administration and represent your fellow students in the decision-making process at the college. In addition, you will have the opportunity to plan events, make friends, and qualify for scholarships.

The Student Senate President, Vice Presidents, Senators, and Officers are elected by a vote of the general student body during the spring semester preceding the new school year.
