The Veterans Resource Center (VRC) provides assistance to veterans and their dependents that may be eligible for various veteran educational benefits and helps transition veterans from the military to civilian life within the academic environment.

The VRC offers the following benefits to veterans and students utilizing veterans benefits:

- Academic Counseling
- Career Exploration and Guidance
- Psychological, Mental Health Counseling (on-site)
- Community Referrals and Services
- Personal and Professional Development Workshops
- Grants and Scholarships
- Study Center
- Computer Lab
- Free Printing Services
- Emergency Assistance
- Work Study Opportunities

The VRC also houses the Veterans Certifying official who serves as a liaison between veteran students/dependents and the Department of Veterans Affairs. The VRC also provides a safe environment for veterans to study, socialize and relax between classes.

The center is an information center to assist with any questions concerning veteran educational benefits or educational experiences at Crafton Hills College.
