

In Spring 2019, a new student advising survey was developed to assess the student perception of the Counseling office's new student orientation as well as services discussed during such time. This summary report includes findings from a paper survey distributed after each orientation. A total of 254 students responded to the survey.

Q1. What educational goals would you like to pursue at Crafton Hills College?

What educational goals would you like to pursue at Crafton Hills College	Choice Count

Q3. Please provide any additional comments you believe are important for us to know.

Both counselors were very warm, helpful, and inviting. All staff was very helpful.

Cant wait to start the year!

Everything was good, great information.

Great guidance!

Great presentation and was provided with great help.

I do work part time but can still be at college full time.

I have no comments

I was still kind of confused with the schedule/courses and everything.

It was great information.

Since I'm not sure on my major, I can't decide where I want to continue my education/career.

Thank you for helping me get a better understanding on how to pick my classes.

Thank you for helping me today. I learned about my major and the university I plan on attending.

Thank you for helping me with my courses.

The class wasn't too long, I understood all the basic info and I'm ready to go to this school

The counselor was extremely helpful and made the information easy to understand.

The orientation was very helpful and informative.

Very helpful!

Very informative! Thank you!

Very informative, thank you!

Very informative.

Very nice and helpful!
