

# Common Course Numbering

Starting Fall 2025, SBCCD Colleges will switch to a new course numbering system. This new system, called the Common Course Numbering (CCN) system, is a state-mandated initiative (AB-1111) aimed at simplifying student transfer and ensuring uniformity in course numbers across California Community Colleges. Courses identified as common will feature a "C" in their catalog numbers (e.g., ENGL 101 will become ENGL C1000). Some subject area prefixes will also change to align with statewide standards (e.g., POLIT will become POLS).

In compliance with Assembly Bill (AB) 1111, which mandates the adoption of Common Course Numbering (CCN) across all California community colleges, several CSU- and UC-transferable courses have been updated with revised CCN course numbers and titles. Below are the courses included in Phase 1.

Old Course	Old Course Title	CCN Course	CCN Course Title
COMMST 100	Elements of Public Speaking	COMM C1000	Introduction to Public Speaking
