**Subject:** ACUE Information Session

Hello CHC Faculty,

Crafton Hills College & San Bernardino Valley College are partnering with ***The Association of College and University Educators (ACUE)*** to bring faculty high-quality and research-backed professional learning courses. We are offering a complete 25-week course (with digital badges) to all full-time and part-time faculty **free** of charge!

This 25-week course prepares faculty in evidence-based teaching practices proven through [independently-validated research](#) to improve student achievement and close equity gaps. This program is delivered fully online through a cohort of your colleagues. The courses are also in alignment with our ongoing DEIA initiatives. Here is a [video](#) highlighting some of the evidence-based teaching practices you will learn more about in the Effective Teaching Practices course.

The next cohort starts in Fall 2025!

Please join us to learn more about ACUE's nationally recognized Certification in Effective Teaching Practices Framework opportunity we are offering for Crafton and Valley's faculty. This one-hour interactive session will provide an overview of the course-taker experience and time for Q&A.
