Subject: Alliance Next Steps

Dear Presidents/CEOs:

Despite our ongoing public health crisis, I hope you all are well. I am writing to communicate next steps for the **California Community College Equity Leadership Alliance**. First, see the attached list of member institutions. There is a chance that others may join by the start of fall term.

Second, please take a moment to [complete this form](#) by **next Wednesday, July 22**. On it, we ask for the names and email addresses of contacts for the monthly eConvenings, invoicing and processing the \$25k annual membership fee, and the campus climate surveys. The person you designate as the eConvenings contact will send us a list each month of the five employees who will represent your college.

Lastly, we have decided to start the monthly Alliance eConvening series in September. Several presidents asked us to wait until fall term to avoid contractual complications associated with expecting faculty members to attend summer events. The first eConvening will be from 1-5pm on Thursday, September 10. The topic will be **Fostering and Sustaining Inclusive Classrooms for Students of Color**. Attention will be paid to doing so in virtual and traditional on-campus learning environments.

My best,
Shaun
