Completion and Success Rates

Crafton Hills and San Bernardino Valley College Completion and Success Rates

Course completion and success rates include districtwide data. Select among the filters below to drill down into specific planning and instructional units for additional insights. Terms are defaulted to Fall and Spring terms only; however, Summer terms may be selected to review overall course completion and success rates. For more details on methodology, or any other questions, please contact the department of Institutional Effectiveness, Research, and Planning at Crafton Hills College.
