The report generated lists the sections with enrollments that are less than 20. The Tutoring Center course, LRC-900X8, has been excluded. To run the full report please click on the following link: [https://informer.sbccd.cc.ca.us:1443/?locale=en\\_US#action=ReportRun&reportId=119341056&launch=false](https://informer.sbccd.cc.ca.us:1443/?locale=en_US#action=ReportRun&reportId=119341056&launch=false).

As we get closer to the start of the section, when enrollments are less than 20 students, you may want to consider cancelling the section. Keep in mind that Honors section enrollments, cross-listed sections, and stacked sections need to be included in the enrollment count.

If you need help with emailing students from a cancelled section, want to be removed from the distribution list, or have someone added to the distribution list, please contact Keith Wurtz at x3202.
