Online Programs and Certificates

To provide students with access to a dynamic, high-quality and comprehensive education that advances their success in an engaging, student-centered online learning environment, Crafton Hills College offers 100% online degree programs and certificates and blended online and face-to-face programs and certificates.

What are Asynchronous vs. Synchronous Classes?

Asynchronous Learning

- Students learn at different times throughout the week
- Instructors provide materials (videos, assignments, activities, links, group work)
- Feedback is provided to the student through collaborative tools and email
- Communication is not live
- Flexible and allows students to work at their own pace
- Due dates and time frames are important

Examples:

Pre-recorded videos, weekly modules with assignments and quizzes, and discussion boards in Canvas

Synchronous Learning

- Students learn at the same time, often at a scheduled class time online via Zoom
- Requires students and teachers to be online at a specific time with direct interaction
- Allows for instant feedback and clarification
- Checking in, Q & A, discussions and presentations occur at specific times in an online setting

Examples:

Live Zoom Video class meetings and teacher paced lessons

Academic Program Award Types

- Associates Degree ?
- Associate in Arts for Transfer (AA-T) or an Associate in Science for Transfer (AS-T) ?
- Locally-Approved Certificate ?
- Certificate of Achievement ?

The program maps listed below are visual semester by semester roadmaps representing a combination of major and general education coursework as well as faculty recommended courses and sequencing that may enhance your college and learning experience in relation to your career/major. Each program map represents one possible pathway for degree and/or certificate obtainment and is **for reference only**. Please [schedule an appointment with a counselor](#) to develop your individualized [Student Education Plan](#). **Requirements for transfer to another College/University may differ from associate degree requirements. Consult with a Counselor!**

Select General Program Information found under your desired program to access the [Departments](#) webpage for further details and to explore careers and opportunities.
