Prerequisite Requirement

8 units

This program is intended for those who are a current Certified Respiratory Therapist (CRT) through the **National Board for Respiratory Care (NBRC)** and is offered 100% ONLINE. If you are not a current CRT, you can complete prerequisite requirements to apply to the **Respiratory Care (AS) program** at Crafton Hills College to become certified. Please **schedule an appointment with a counselor** to discuss the **Respiratory Care (BS) Program** requirements and application process in more detail.
