The below dashboards are currently under development as of 2/28/26 and will allow faculty do login and see only information specific to their classes. The dashboard will allow faculty to see disaggregated course completion and success rates, disaggregated SLO results, and to download disaggregated student rosters. The student rosters will allow faculty to identify DI in relation to assignments.

STUDENT PERFORMANCE DASHBOARDS

Choose a Dashboard to Get Started:

Course Competion Rates	Course Success Rates
SLO Overview	Student Roster
Consolidated Program Dashboard	Terms and Definitions
