Monday - Wednesday	8 a.m. - 6 p.m.
Tuesday - Thursday	8 a.m. - 5:45 p.m.
Friday	9 a.m. - 2 p.m.

CNTL-218 ([Campus Map](#)) | **909-389-3503** | chcstemcenter@craftonhills.edu

Welcome to the STEM Center at Crafton Hills College!

The STEM Center is your gateway to success in **Science, Technology, Engineering and Mathematics**. Our goal is to be a hub for academic support and exploration in the fields of **STEM** within our Roadrunner community!

Whether you are a declared STEM major or simply interested in learning more about STEM, we encourage you to visit us. As a student support center, we are here to help you thrive academically, encourage curiosity and build community through our services.

MESA at Crafton

"MESA believes that all students have the potential to succeed, but not all students have the access to the opportunities to succeed in STEM.

The MESA program works to ensure all students in California have access to mentoring, experiences, networks and other resources they need in order to earn degrees in calculus-based STEM fields and pursue careers in STEM." -MESA UCOP

The MESA program provides academic and transfer support to advance the educational success of students majoring in a calculus-based STEM field, especially those from underrepresented and disproportionately impacted backgrounds. We encourage you to explore our [MESA webpage](#) where you will find information about the program, eligibility requirements to become a MESA Scholar, the application link, resources and support!

Study Groups and Review Sessions

In partnership with the Tutoring Center

Counseling

Private study rooms

Calculators, textbooks, helpful study sheets, and materials

Padlet

STEM Internships, Research Opportunities, Workshops, and more!
