Graduate Income - Equifax

CHC graduate yearly income data was obtained from the Equifax Graduate Outcomes service. Students were included if they obtained a CHC program award, transferred to a 4-year institution, or stopped out after obtaining 30 or more transferrable units. The number of years since graduation (or stopping out) is calculated by subtracting the graduation year (or last year attended) from the year the income was reported. For more details on methodology, or any other questions, please contact the department of Institutional Effectiveness, Research, and Planning at Crafton Hills College.

Award Type (All)	Program Title (All)	Program Graduated (All)	Student Major (All)	Graduate Type (All)
Eops Student Filter (All)	Honors Filter (All)	Veteran Student Filter (All)	SAS Student Filter (All)	Pell Recipient (All)
