Welcome		
Introductions		
Motion to appoint Aaron Oxendine to Chair the Campus Technology Committee	Motion was approved.	
CHC Technology Update	Aaron provided updates on the computer refreshments, construction projects and other projects taking place on the campus.	
District Technology Update	Roger provided an update on the outage that took place, and mentioned the steps that we are putting in place to prevent this from happening in the future.	
Discussion & Other Business	The digital sign in front of the campus was discussed. Further research would be needed to see how updates to the signage can take place during the construction.
