What are some things the college can do to better support students?

Group Discussion Activity

↻ Transportation is an issue for students.

🗨 0

↻ ✨ Make books free again.
✨ Make information easily available to students when they first start out at out college.
✨ make the foundation more well known to students who are facing economic hardships.
✨ make our website more accessible on safari since students mostly use their mobile devices to access their information

🗨 0

↻ **-extra financial support for student parents**

-mandatory orientation

-ways to build familiarity with campus resources and cultivate community

🗨 0

↻ **Be well informed about services we offer ChC offers.**

Friendliness

Offer a lab with information session for new students.

🗨 0

↻ **When students start they receive so much information that by the time they are in courses, they do not remember what the school offers.**

making this building a more centralized place that students feel welcome
