CAL-GETC (**California General Education Transfer Curriculum**) is the required general education pattern for this degree. **For details, consult a Counselor and visit <https://www.assist.org/>**

A student receiving a degree in this field will be able to:

- Identify and describe the historical trends, theoretical views, values of the field, concepts, methods, techniques and research associated with psychology.
- Use library and online resources effectively to locate and evaluate peer-reviewed research, and apply APA style in citing supporting information related to specific topics in psychology.
- Critically analyze research and real-life situations, and apply psychological insights to their own growth and development.
