Why do non-residents pay more?

California public higher education is "subsidized" by the state. The lower fees for students who reside in California are intended to reflect the contribution they and their parents have already made by living and paying taxes in California. The fee charged to non-California residents is intended to cover the cost of the "subsidy" that is provided to California Residents.

Upper Division Coursework Fee:

Effective Spring 2024

- \$84.00 per semester unit

Attention: If you are enrolled in a Bachelor's program offering upper-division courses, please be aware that you are required to pay the enrollment fee as well as any non-resident or foreign tuition fees, if applicable. Additional fees listed below may also apply.

Audit Fee:

- \$15.00 per semester unit

Note: *This fee applies to students enrolling in courses for audit and is in lieu of the Enrollment, Non-Resident, or Upper Division Coursework fees listed above. Students enrolled in ten (10) or more semester credit units will not be charged a fee to audit three (3) or fewer units per semester.*

Capital Outlay Fee:

Effective Fall 2023

- \$46.00 per semester unit

Effective Fall 2024

- \$151.00 per semester unit

Payment Policy

Students should be aware of the following payment rules when registering:

- Students who are not legal residents of California must pay the current non-resident tuition fees.
- Payment is due at the time of registration.
- As the student, you are responsible for dropping classes by the stated deadlines. If you register for a class and later change your mind, it is your responsibility to drop the class. You may be responsible for some or all of the fees for dropped courses as per the District Refund Policy.
- If you are a financial aid recipient, your award will not cover all of your fees. You are responsible to submit payment for any balance due.
- An outstanding balance will result in a Hold placed on your account.

What does a Financial Hold/Outstanding Balance Hold mean?

A hold is placed on all student accounts with past due fees. The hold prevents you from registering for courses, ordering transcripts, enrollment verification, receiving your certificate, and diploma. Additionally, you may not be able to participate in additional school activities such as field trips, while your account is on a financial hold. The Financial/Outstanding Balance Hold will be released upon receipt of full payment.

Payments are accepted online via [Self Service](#) or in-person in the Admissions & Records Office.

Any fees covered by Financial Aid will be paid automatically at the time of registration. The AS Card and parking permit are optional and at your expense. Please check your registration statement (printout). You may have a balance due.
