Crafton Hills College Classified Senate Newsletter
May 2017

PRESIDENT'S MESSAGE

Welcome to the end of the academic semester. Like our faculty friends, I know we're all tired from a busy term keeping the college running smoothly. The Classified Senate has been equally busy this year.

The Classified Senate adopted its own "9+1" similar to the Academic and Student Senates which outlines the shared governance matters that significantly impact classified professionals.

With our 9+1, the college knows when input from classified professionals should be sought before decisions are made, and the Classified Senate is working with campus leadership to have our resolution codified in the College's Organizational Handbook on shared governance.

Here are the Crafton Hills College Classified 9+1:

1. Curriculum systems integrations and implementation
2. Degree and certificate requirements
3. Educational program development
4. Standards or policies regarding student services, support, and success
5. College governance structures, as related to classified roles
6. Classified roles and involvement in accreditation processes
7. Policies for classified professional development activities
8. Processes for program review and annual planning
9. Processes for institutional planning and budget development
10. Any other district and college policy, procedure, or related matters that will have a significant effect on Classified Staff

We also adopted guidance for the college and district to support all students regardless of their immigration status, and now we're working on a resolution to help inform budget decisions on the proceeds from the auctioning of KVCR's UHF spectrum.

To cap off the year, the Classified Senate will be discussing issues regarding Crafton's budget and enrollment deficits.

If you have ideas on how Crafton Hills College can improve its enrollment and strengthen its budget, I encourage you to attend our next Classified Senate meetings on May 12 and May 25 at 2 p.m. in CCR-233.

As I conclude the first year of my term as your Classified Senate President, I want to thank each of you for your continued dedication to the success of our students and our college. I'm proud to represent you.

Sincerely,
Benjamin Gamboa
