Crafton Council	Safety	Carrie Audet	No report

<p>Crafton Council</p>	<p>Student Equity & Achievement</p>	<p>Diana Vaichis</p>	<p>Ivan and Kay provided an update to the Summer Bridge program. Recruitment has started. They've changed the process and are now starting with students filling out an interest form for the program, due by May 31st. One of the ways this opportunity is being shared is through SOAR. Additional changes based on last year's feedback include possibly having a peer mentor to help with support and outreach too. This would be someone who has already participated in the program. Additionally, it was clarified that while there is targeted recruitment for African American/Black and Latinx students, the program is open to everyone and not limited to those groups.</p>
<p>Crafton Council</p>	<p>Student Equity & Achievement (Continued)</p>	<p>Diana Vaichis</p>	<p>The committee is considering putting the Equity plan in Cascade, similar to our Educational Master plan. Gio will send screenshots and possibly provide a demonstration at next SEA meeting for the committee can decide on using this tool. The alternative is to continue using the existing Excel file.</p>
			<p>Keith requested contributions from the committee for the ACCJC mid-term report regarding major equity work at the college. Examples provided include the Streamlining project, USC Race and Equity Center training for faculty, and others. He plans to gather feedback from other committees. The ACCJC mid-term report is due on 10/15/24.</p>
			<p>Keith provided a presentation on compressed academic calendar. The committee had the opportunity to share thoughts, questions, and overall feedback on this suggested change from a traditional to a compressed calendar.</p>

			Ivan asked the committee if they're interested in attending the Student Equity Planning Institute (SEPI) in-person convening on April 25th and 26th. Given ongoing internal discussions on how to move forward as a committee (e.g., Cascade for the Equity plan), this will be revisited at the next meeting.
Crafton Council	Technology Planning	Kristi Simonson	No report
District	Budget Advisory	Karen Peterson/Rosemarie Hansen (Proxy)	State Budget Update: Budget is flat this year. Last year delays in property tax collections; this year taxes so far deferral of taxes, extended time to file not an option. Was during COVID. Governor's budget not so much doom and gloom but flat. No increases. Using the SERP from one time funds/reserve to hopefully lower outlay from budget for salaries and benefits. Will likely have a "soft" hiring freeze - step increases accounted for; classification/compensation study accounted for in the budget.
District	DEIA	Christina Sweeting	We met on Dec. 12, 2023 for prep work our "Top 5 Projects" The Classified Hiring Process - This group focus is rolling out the new hire process and advising on necessary changes to fit the needs of the constituent groups. The Allyship Program - This group will assist in developing a training mechanism for how to be good allies within the district utilizing DEI resources and knowledge obtained from events. The intent will be to provide guidance for those who would like to connect with DEIA but do not know how, when, and why. The Bias Education and Action Team - this group focus is on developing the SOPs, lead mediation, and forecast DEI issues.
District	Policies and Procedures	Karen Peterson	No report

District	Institutional Effectiveness Advisory	Ola Sabawi	No report
District	Facilities Advisory	Karen Peterson	No report
