

Communication and Language Text Costs

Cheapest option for students is to buy used books outside of the bookstore. New books will also be cheaper if purchased outside the bookstore. Therefore, it is in the best interest of most students to opt out of Book Saver ASAP.

Students are not receiving materials on time. Bookstore did not order enough. Could be avoided if students purchase outside of the bookstore.

Course and text	Units and Book Saver Cost	Cost of NEW Materials through Publisher	Book Saver worth it for students?	Cost of NEW Materials through Bookstore	Book Saver worth it for students? (Y/N)
