

Faculty Adoptions

Using Follett Discover

Log into Canvas.

1. Select *Account* from the top of the Global navigation.
2. Select ***My Materials/Follett Discover***

Select the correct term here:

The screenshot shows the Butte College Open Adoptions interface. On the left is a dark blue sidebar with the Butte College logo, a back arrow, and navigation links for 'MY COURSES', 'Open Adoptions', 'Submitted Adoptions', 'INBOX', and 'Message Center'. The main content area has a header with 'My Courses' and a 'Term' dropdown menu, which is highlighted with a red box and a yellow arrow. Below the header, it says 'Upcoming Term / Fall 2025' and 'Open Adoptions'. A sub-header reads 'Create your adoption list from our catalog or from past materials for easy readopt.' Below this is a list of courses with a dropdown menu set to 'AB'. The first course, 'AB-20 (FA25) Careers in A...', is highlighted. To the right of the course list, there are buttons for 'Adopt by Course' and 'Adopt by Section', and a chat icon. The 'Adoption List' section includes a 'Select All' checkbox and a yellow banner with a lightbulb icon that says 'Get started by adding material' and 'Add materials to the course's adoption list by searching the catalog.' Below the banner is a search bar labeled 'Search & Add Materials'.

If your course had materials adopted in previous terms, they will be listed under the course/section. Unselect any material you do not want to keep. Make sure the materials you want to re-adopt are selected and click *Adopt Selected Items*.

The screenshot shows the Butte College Open Adoptions interface. On the left is a sidebar with navigation links: MY COURSES, Open Adoptions, Submitted Adoptions, INBOX, and Message Center. The main area is titled 'My Courses' with a 'Term' dropdown set to 'Fall 2025'. Below this, a list of courses is shown, with 'BIOL-20 (FA25) Human Anat...' selected. The right panel displays the adoption details for this course, including 'Using OER Material' and 'No Materials Required'. The 'Adoption List' section shows a search bar and a table of 3 selected items. A red box highlights the selection checkboxes for all three items. A yellow arrow points from the 'BIOL-20 (FA25) Human Anat...' course in the sidebar to the adoption list. Another yellow arrow points from the 'Adopt Selected Items (3)' button at the bottom to the text 'Using OER Material'.

Adopt Selected Items (3)

If your course did not have materials adopted previously or you would like to adopt new materials, you can search the ISBN needed and click *Add*.

The screenshot displays the 'Open Adoptions' interface for Butte College. The left sidebar contains navigation links for 'MY COURSES', 'Open Adoptions', 'Submitted Adoptions', and 'Message Center'. The main content area shows the 'My Courses' section with a dropdown menu set to 'BIOL'. A list of courses is shown, with 'BIOL-2 (FA25) Intro to Human Biology' selected. The 'Adoption List' section for this course is visible, featuring a search bar with the ISBN '9781711494050' entered. A yellow arrow points from the search bar to the search results. The search results show a new material titled 'Anatomy & Physiology' by Openstax, 2nd edition. A red box highlights the '+ Add' button next to the material, with a yellow arrow pointing to it.

If your course needs custom materials (e.g lab manual) that is not listed or needs to be updated, enter a note to the store to let us know and click *Send*. The Course Materials Manager will contact you with order forms/additional information.

The image shows a two-step process for adding a bookstore note to a course's adoption list.
Step 1: In the 'Open Adoptions' section, a course 'BIOL-20 (FA25) Human Anatomy' is selected. A yellow arrow points to the 'Adopt by Course' button, which has a document icon.
Step 2: A modal window titled 'BIOL-20 Notes' appears. It shows the course name and a '+ Bookstore Note' button. A red arrow points from this button to a third window titled 'ADDING BOOKSTORE NOTE'.
Step 3: The 'ADDING BOOKSTORE NOTE' window shows a text input field with the word 'Note' and a 'Send' button. A 'Cancel' button is also present. The page number '4/250' is visible in the bottom right corner.

To see or change submitted adoptions, switch to *Submitted Adoptions* and select either *View by Course* or *View by Section*:

The screenshot shows the Butte College My Courses interface. In the left sidebar, under 'MY COURSES', the 'Submitted Adoptions' link is highlighted with a red box and a yellow arrow. The main content area is titled 'Submitted Adoptions' and shows a dropdown for 'BIOL' and a button for 'View by Section' (highlighted with a red box and a yellow arrow). A black circle with the word 'or' has arrows pointing to both 'View by Course' and 'View by Section' buttons. Below this, the 'Adoption List' for 'Section M1826, Lechner' is displayed, showing a table of book titles, ISBNs, editions, and usage requirements.
