Equity Plan Executive Summary - Rebeccah	Rebeccah submitted the draft Equity Plan for a first read. After discussion, she asked the group to review and send her any edits. This item will be reviewed again at the next Crafton Council meeting.	Put on agenda for 5-14-19 meeting

Put on agenda for 5-14-19 meeting
	Several ideas were suggested on how to achieve campus input in our endeavor to reprioritize the facility project list, compiling this information and Crafton Council recommending the new priority list to the President. Ultimately the final decision is with the president. Mike also indicated that all items that are to be funded may be completed in a different order to allow for a better use of current space during renovations/construction.	
	After much discussion, it was decided that Academic Senate, Student Senate and Classified Senate will provide the criteria to their groups before the next Crafton Council so their input can be included in our next steps.	
	Mike will define the projects, include the Facility Assessment- Facility Needs Condition Index (FCNI) for each project.	
Announcements - All	None.	
Next meeting is 5-14-19, 1:00 p.m., CCR 233	Meeting adjourned at 3:02 p.m.
