| Approval of minutes for April 28, 2020 | The minutes of April 28, 2020 were approved as written. Motion by Keith, seconded by Mike. Unanimous approval. | |
| Corvid-19 Update – Kevin | Everything will be predominately on-line for Fall. There is still a deep concern about personal health and safety for our students and staff. If there are any measures of social distancing still in place, many classrooms can't accommodate. We want to give the students information up front and not make changes in the middle of the semester. | |
| Accreditation Update ISER – Keith | <p>The Accreditation Institutional Self-Assessment Report (ISER) has been approved by all senates. The final report was submitted to Crafton Council for approval.</p> <p>Motion by Keith, seconded by Julie. Unanimous approval. This will be sent to Board of Trustees for first and second reads and will be submitted to ACCJC on 8-14-20.</p> | |
| Emergency Remote Instruction Task Force - Keith | <p>The Emergency Remote Instruction task force was formed to address emergency situations both current and future. They created a document which summarizes the difference between distance education (DE) and emergency remote instruction (ERI), establish some basic expectations for each, and establish guidelines for successful implementation of emergency remote instruction.</p> <p>Brandi and Cynthia spoke about the ERI task force. Brandi wanted to clarify that the task force will set up training for faculty when needed.</p> | |

| Emergency Remote Instruction Task Force – (continued) | <p>The task force is defined as a shared governance ad hoc committee which requires approval of Crafton Council. This task force will meet on an as needed basis.</p> <p>It was moved by Keith that this task force be added as a shared governance ad hoc committee and seconded by Delmy. Unanimous approval.</p> | |
| Guide to Prioritizing Sections – Keith | <p>The Guide to Prioritizing Sections was voted on by Academic Senate and approved as is. There was one concern by TL Brink which he asked about whether we should label priority #2 as #1 as well.</p> <p>Currently it states: The Enrollment Strategies Committee recommends the following priority at Crafton Hills College:</p> <ol style="list-style-type: none"> 1. Courses required for Associates Degrees for Transfer or Associate Degrees <ul style="list-style-type: none"> • Courses required for transfer level math and English • Courses required for transfer, but not in a degree or certificate 2. Courses required for Career-Technical degrees or certificates and any other credit certificates <p>After discussion, it was agreed to adopt this guide as written and approved by Academic Senate. Motion by Kevin, seconded by Julie. Unanimous approval.</p> | |
| Student Success and Equity Committee – Keith and Delmy | <p>Keith and Delmy presented that we will be combining the Basic Skills committee and the Student Success Committees and have presented the charge and membership for approval by Crafton Council.</p> <p>After discussion the following changes were made:</p> <ul style="list-style-type: none"> • Mark asked that we include one member of Academic Senate which could also be one of the six faculty members (minimum only). • Kevin Palkki asked that the one CSEA representative can be from any division. • Kevin Horan asked that the name of this new committee be Student Equity and Achievement Committee <p>It was moved by Keith to adopt the new Student Success and Achievement Committee as changed. Seconded by Mark. Unanimous approval.</p> | |
