

## Committee Charge 2

The Educational Master Plan Committee (EMPC) relies on evidence (e.g.: quantitative and qualitative research, learning assessment results, etc.) to facilitate and lead the effort to develop, review, and revise the Educational Master Plan (EMP) with input from appropriate constituencies. The Crafton EMP is a comprehensive document that establishes a clear direction for the College by envisioning the future of academics and student support under changing internal and external conditions. The EMPC regularly reviews the Educational Master Plan and the College Mission, Vision, and Values and forwards revisions to Crafton Council for review and approval.
