Review DRAFT Strategic Directions and Goals - Gio	<p>This meeting reviewed the revised Strategic Directions (SDs) and Supporting Actions (SAs) from last week.</p> <p>We worked as one group for the duration of the meeting and went through all of the Strategic Directions again and streamlined the wording for each of the Strategic Directions. There is a total of five Strategic Directions.</p> <p>As we were going through the Strategic Directions, we addressed the Strategic Actions associated with each one. Upon discussion, some were combined, some were eliminated, and others were refined/streamlined.</p> <p>We did not completely edit all the key results i.e. measurable outcomes associated with each supporting action in this meeting timeframe.</p> <p>This document will be updated with our changes and will be send to Collaborative Brain Trust by the end of the week so they can insert this section into the EMP draft master document and return to us the full document.</p> <p>Our next steps include taking it to all the Senates for review and holding an open forum. We have scheduled the open forum for Friday, December 2, 2022, at 1:00 p.m. via zoom.</p>	
Announcements	None.	
Next meeting is 12-13-22	The meeting adjourned at 4:30 p.m.	

Mission Statement

The Crafton Hills College mission is to change lives. We seek to inspire our students, support our colleagues, and embrace our community through a learning environment that is transformational. Crafton Hills College welcomes everyone and is committed to working with students from diverse backgrounds. The College has an exceptional learning environment built on a tradition of excellence, a talented faculty, a driven student body, a committed staff, with passionate leadership and community support.

Vision Statement

To empower the people who study here, the people who work here, and the people who live in our community through education, engagement and innovation.

Institutional Values

We rely on the following values to support our vision and mission:

Respect: To champion active listening and open dialogue within our community.

Integrity: To uphold honesty in our interactions and academic pursuits and maintain community collaboration.

Diversity & Inclusion: To promote a welcoming environment through equitable and antiracist practices in all aspects of our work.

Innovation: To actively grow and adapt to support our mission and vision through a willingness to embrace new perspectives and new ideas.

Leadership: To develop and inspire current and future leaders through professional development, mentorship, education, and experience.

Sustainability: To be a leader in our community by reducing environmental impact with practices that meet the needs of the present without compromising the future.
