Strategic Directions 1,2,3 - Gio	Kevin gave an overview of this committee. The District has 4 overall district goals that are linked to our strategic directions. We input updates based on a calendar set by the Chancellor. Our updates go into Cascade and the Board of Trustees reviews monthly. Three of the goals were due over the summer and we are reviewing all three today to see what changes have been made. Usually, it would just be one strategic direction per meeting. It is best for you to review the google document prior to the meeting so you can add your questions or comments for everyone to see and we will review in our meeting. The documents are reviewed in President's Cabinet prior to coming to this committee. Gio was not in attendance. Diana brought up the google doc. After spending some time reviewing the documents, there were questions if we were reviewing the most current document as some of the student updates and accomplishments seem to be missing. Based on this, we decided to forgo the review and will put on the agenda for next meeting.	Put on agenda for 09-23-25 meeting
