Approval of Minutes	Minutes for 9/14/16 were approved by the committee with minor revisions.	
<b>Administrative Report</b>	The schedule for the review of APs and BPs for October of 2016 was reviewed.	
<b>Old Business</b>		
<b>New Business</b>	<p>The following APs and BPs were examined for review.            AP 3280 Grants            BP 3280 Grants</p> <p>It is our understanding that a committee is being formed at the district level to look at the grant writing process. At this point, there are only suggestions from other districts for the AP and BP. The committee wished to take more time to look at each of the processes and determine which one may be a good starting point.</p>	The committee also thought that we may have examined this AP and BP before. The chair will examine notes and see if this is the case.
