Administrative Report		
Old Business	<p>Several of the APs and BPs have been forwarded to the Academic Senate for review at their next meeting, since they are covered under the 10+1.</p> <p>The only AP/BP on the District Assembly agenda that is an academic and professional matter that should be review is below. The last I heard, this AP and BP was being reviewed by Chairs. So, if anyone is on that committee and has any insight, please let us know. I would like to have a second look at this one since some omissions in red may directly affect the ability of students to receive Credit for Prior Learning.</p> <p>AP 4235 Credit for Prior Learning (formerly Credit by Examination) BP 4235 Credit for Prior Learning (formerly Credit by Examination)</p>
