

Annual RFTES Targets and Progress (Updates once Daily)

Introduction and
Methodology

Targets, Estimates,
and Actual RFTES

Instructions: In a given year specify the fall, spring, and summer targets for your college or the District. You can also estimate RFTES by category and overall for each term. As an illustration, in reporting year 2018 (i.e.: 2017SM, 2017FA, 2018SP, and 2018SM), the first summer refers to 2017SM and the second summer refers to 2018SM. Terms will not show until active sections have been entered into Colleague.
