

## Getting Started - 2021 Annual Fiscal Report

### California Community Colleges

This document is provided to assist you in completing the ACCJC 2021 Annual Fiscal Report and submitting it electronically. You will be using data prior to 12/31/2020 and the two previous fiscal years to complete this report except where specified otherwise. Attached are the report questions you may wish to use before completing the report online.

- 1. The College Chief Executive Officer (CEO), the College Accreditation Liaison Officer (ALO) will each receive e-mail instructions with an individually assigned username and password. The ALO will create a username and password for the current College Chief Business Officer (CBO) using the "Update Profile" link.
- 2. After logging in, the "Update Profile" link is found in the upper right hand corner of the page to confirm your college information. The update profile link is where the College may add additional accounts for a district/system CBO, if the College is part of a multi-college district.
- 3. Only the College CEO can submit the final version of the Annual Fiscal Report. The CEO will use the separate username and password sent by e-mail to submit the report.
- 4. You may download copies of this document from the Annual Fiscal Report login screen by clicking on the "Getting Started" link near the bottom of the login screen.
- 5. Some questions have "[Additional Information]" pop-up windows that contain important details to assist in accurately providing the requested information.
- 6. If you need to skip a question because you do not have all the information or need to validate data, a "skip" button is provided. The report form will retain any information that is entered and mark the question as "skipped" so that you will be able to more easily find it at a later time to complete and submit the answer. If you need to go back to a previous question use "Review Previous Question" at the bottom of the page.
- 7. All fields must have an entry in order for the form to be submitted. If the question is not applicable to your college enter "n/a" to allow the form to be submitted.
- 8. You may edit your answers as many times as you wish until the CEO performs the "Final Submission" of the Annual Fiscal Report. When the "Final Submission" is performed, the CEO is affirming and certifying the accuracy of the report. Upon the final submission, e-mail notifications will be sent to the ALO, College CBO, and the institution's CEO with a copy of the final report. The district/system CBO, if any, will also receive a copy. Be certain to retain a copy of the final report for college files.

- 9. For California community colleges:
  - a. Except as noted for <u>College Data section</u>, all data should be district data.
  - b. All reported data should match California Community College annual CCFS 311 data and the annual fiscal audit.
- 10. Data accuracy is essential. Incorrect data can result in referral to the Financial Reviewer Panel process. Knowingly submitting false or unsupported data may result in notification to the U.S. Department of Education and accreditation action.
