NEW COURSES

- l. **KIN/F 121A Mind Body Fusion I** (to see course outline go to SEARCH, COURSES in CurricUNET)*

Originator Colleen Maloney-Hinds

Need for the Course: Students have a wide range of abilities, interests and needs. We currently don't offer many courses that cater to the needs of those of with lower fitness levels, advanced age or with disabilities. This class would offer opportunities for both those populations. In addition there is a big push to increase the awareness of movement through mind body exercises. This class will also offer meditation which helps to reduce stress and ease other physical and mental health issues.

- m. **KIN/F 107A Zumba Fitness I** (to see course outline go to SEARCH, COURSES in CurricUNET)*

Originator Colleen Maloney-Hinds

Need for the Course: We have been offering a Zumba only section of our aerobics class for the past couple of years now. We have also offered free Zumba sessions as well. To make sure students can find the course and that we advertise properly we need to have the course under its true name and not just a sub-section. Zumba is still a huge part of the fitness industry and local gyms are doing fantastic with enrolling their classes. We just need people to know we offer it as well.
