NEW COURSES

- k. **KIN/F 121A Mind Body Fusion I** (*to see course outline go to SEARCH, COURSES in CurricUNET*)*
Originator Colleen Maloney-Hinds
Need for the Course: Students have a wide range of abilities, interests and needs. We currently don't offer many courses that cater to the needs of those of with lower fitness levels, advanced age or with disabilities. This class would offer opportunities for both those populations. In addition there is a big push to increase the awareness of movement through mind body exercises. This class will also offer meditation which helps to reduce stress and ease other physical and mental health issues.

Need for the Course: Crafton College wants financial literacy to be a part of students' lives. A student's overall health is vital to the college, and providing resources that provide support and education in financial understanding is essential to all students. The more students know and the more financial tools they have at their disposal, the better prepared they will be for life outside of Crafton College.
