Rationale: Needs DE Addendum
DE Approval

NEW COURSES

- d. **COA/N 601 Understanding Diabetes: Sweet Success** (*to see course outline go to SEARCH, COURSES in CurricUNET*)*
Originator Colleen Maloney-Hinds
Rationale: This class would be specifically designed to promote the overall health, diabetes comprehension, and diabetic management for both active and frail older adults. In addition, this educationally focused curriculum promotes the health, safety and wellbeing of diagnosed individuals, care takers, family support systems and as well as the public health of the local community.
Not Currently Equated with Valley, course not offered
- e. **COA/N 602 Heart Smart: Living with Heart Disease** (*to see course outline go to SEARCH, COURSES in CurricUNET*)*
Originator Colleen Maloney-Hinds
Rationale: This class would be specifically designed to promote the overall health, heart disease prevention, comprehension, and symptom management for both active and frail older adults. In addition, this educationally focused curriculum promotes the health, safety and wellbeing of diagnosed individuals, care takers, family support systems and as well as the public health of the local community.
Not Currently Equated with Valley, course not offered
- f. **COA/N 603 Clarifying Cancer: Prevention, Prognosis & Beyond** (*to see course outline go to SEARCH, COURSES in CurricUNET*)*
Originator Colleen Maloney-Hinds
Rationale: This class would be specifically designed to promote overall health, cancer prevention, cancer comprehension, and risk reduction in both active and frail older adults. In addition, this educationally focused curriculum promotes the health, safety and wellbeing of diagnosed individuals, care takers, family support systems and as well as the public health of the local community.
Not Currently Equated with Valley, course not offered

**Crafton Hills College
Curriculum Committee**

- g. **COA/N 604 Keeping Your Kidneys: How to Manage Chronic Kidney Disease** (to see course outline go to *SEARCH, COURSES in CurricUNET*)*
Originator Colleen Maloney-Hinds
Rationale: This course designed to promote the overall health, kidney disease comprehension, and kidney disease management for both active and frail older adults. In addition, this educationally focused curriculum promotes the health, safety and wellbeing of diagnosed individuals, care takers, family support systems and as well as the public health of the local community.
Not Currently Equated with Valley, course not offered
- h. **COA/N 605 Plant-Based Nutrition for Older Adults** (to see course outline go to *SEARCH, COURSES in CurricUNET*)*
Originator Colleen Maloney-Hinds
Rationale: This class is specifically designed to promote the overall health, disease prevention, comprehension, and dietary management for both active and frail older adults. In addition, this educationally focused curriculum promotes the wellbeing of elderly individuals, their caretakers, family support systems and the public health of the local community.
Not Currently Equated with Valley, course not offered
- i. **COA/N 610 Death and Dying: End of Life Rights and Choices** (to see course outline go to *SEARCH, COURSES in CurricUNET*)*
Originator Colleen Maloney-Hinds
Rationale: This scientifically-based course is designed to provide the senior community with current and pertinent end of life information and concrete-treatment ideas to foster the difficult decisions associated with life
Not Currently Equated with Valley, course not offered
- j. **EMS 010 Heartsaver CPR/AED/FIRST AID** (to see course outline go to *SEARCH, COURSES in CurricUNET*)*
Originator Laurie Green
Rationale: This course provides basic level certification for the use of an AED which has become a public use device and found in many facilities and businesses. Acute Coronary disease is the leading cause of death in the United States. This course is geared toward providing information and treatment options for public intervention in sudden cardiac arrest and common illnesses and injuries experienced in communities. This course is needed for Community Emergency Response Teams (CERT), Local Businesses who have AED's, Government agencies, Schools, and anyone seeking life saving information.
Not Currently Equated with Valley, course not offered
- EMS 016 Emergency Medical Responder** (to see course outline go to *SEARCH, COURSES in CurricUNET*)*
Originator Laurie Green
Rationale: This course is designed to provide continuing education credit to professionals currently working or certified as an EMR. Per county and National Registry guidelines an EMR must recertify every two years. The EMR re-certification process is necessary to keep this level of health care professional gainfully employed.
Not Currently Equated with Valley, course not offered
