1. Approval of Minutes for April 27, 2020.

   The minutes were approved.

2. Action Items

COURSE MODIFICATIONS

   A. ART 121 Foundations of Three-Dimensional Design

   The committee approved ART 121 as a six-year revision.

   - **New Catalog Description:** This course explores the concepts, principles and techniques of three-dimensional design using a variety of materials including Wood, Plaster, Plastic, Paper, and Wire.
   - **New Schedule Description:** This course explores the concepts, principles and techniques of three-dimensional design using a variety of materials including Wood, Plaster, Plastic, Paper, and Wire.

   Note: The course equates with ART 121 at SBVC

B. CSCI 105 Introduction to Unix/Linux

The course was tabled.

Concerns:
o   Is this a new course or a course modification?
o   Is this a Stand-Alone course? What are the plans for the course?
o   Does SBVC offer this course?
o   Enrollment should be left blank until it goes through the formal process.

C. CSCI 113 Programming Fundamentals: Java

The course was tabled.

Concerns:
o   Is this course cross listed with CIS 113 or is it replacing CIS 113?
o   If it is replacing CIS 113, will CIS 113 be deleted?

D. ENGL 150 Classical Mythology

The course was tabled.

Concern:
o   This course is also offered as RELIG 150. Both courses will need to be reviewed at the same time.

DE ONLY

E. CSCI 120 Introduction to Computer Science II (C++)

The committee approved CSCI 120 with the Distance Education component only (hybrid and 100% online).

F. ENGL 917 English Support Lab

The committee approved ENGL 917 with the Distance Education component only (hybrid and 100% online).

3. Operational Issues

Keith reported that the Academic Senate, Classified Senate, and Student Senate unanimously approved the Self Evaluation. The accreditation team will be attending the campus virtually sometime during the fall semester.

When Keith submits the plan to the State for remote instruction, he will divide the courses by discipline.

Kim will forward the information she received from the Curriculum Institute to Keith. This year it will be a Virtual Conference. Once we know the cost of the conference, we will determine how many people can attend.

Gwen volunteered to provide CurricUNET Training during Fall In-Service through Zoom. She will contact Rick Hogrefe.

Kristina requested to be added to the final step for academic programs.

- o This is not to add her to the approval process but to alert her that the program is being approved.

 The next Curriculum meeting will be held on **Monday, August 24 at 2 p.m. online. The link will be sent with the agenda.**
