

Crafton Hills College Professional Development Agenda		1st and 3rd Fridays Date: Friday, September 17, 2021 Time: 12:00 pm – 1:30 pm Location: Zoom Hyperlink	
<p><i>The Professional Development Committee seeks to involve the entire campus in learning activities characteristic of the very best teaching and learning organizations. The Committee places the highest value on activities that help people realize their individual and collective aspirations, raise the quality of their reflection and conversation, and hone their conceptualizations of the larger system in which their work is situated. In addition, the Committee actively seeks to help people to take advantage of learning opportunities with other institutions, organizations, and professional networks that fulfill our mission as a community college.</i></p> <p><i>The Professional Development Committee relies on research, evidence-based decision making, and the results from the learning assessments to inform professional development activities. Members of the committee also serve as the college's Flex Advisory Committee, which views flex reports submitted by flex-eligible full-time faculty. The Professional Development Committee meets twice per month.</i></p>
