Subject: REMINDER: Announcement to Crafton College

Dear Crafton Hills College Colleagues:

As you know, the Board of Trustees approved a contract with the Association of Community College Trustees (ACCT) to conduct a national search to attract qualified candidates for the position of President.

A search committee, representing a broad base of college constituencies, was formed and met on May 9.

The campus community was invited to participate in one or both forums on May 8-9, to learn about the process and to provide input on three questions:

- 1. What do you believe are the major challenges facing Crafton College in the next 2-5 years?**
- 2. What qualities would you like to see in the next President of Crafton College?**
- 3. With many presidential positions open, why should a candidate want to apply for this particular position?**

You are encouraged to send your written responses to the questions above. You also are welcome to nominate prospective candidates by providing the candidate's name, cell phone number, email address, and why you think the candidate should be contacted for the position. All nominations and nominators, as well as comments related to the above questions, will be kept confidential and should be sent directly to Dr. Pam Fisher at pamfisher@bresnan.net.

We will make regular progress reports to the campus community as the search proceeds and will provide an opportunity for everyone who's interested to meet the finalists in mid-November. Additionally, the position profile, search timeline, committee composition and other related information will be available to all internal and external persons on our website by mid-June.

If you have any questions, please contact me or Dr. Fisher. Thank you ahead of time for your contribution and participation. **We look forward to your response no later than May 31.**
