MISSION:

The Crafton Hills College Foundation is dedicated to cultivating meaningful relationships and raising funds that remove barriers, enhance opportunities, and empower students to strengthen our community. Providing over **\$396,459** to students directly in the form of scholarships, emergency funds, transfer fee support, textbook loans and STEM conference expenses.

EVENTS:

Celebrating Elaine Rosen's lasting impact on Crafton's performing arts through her generous support for music and theater students at the naming ceremony for the **Elaine S. Rosen music classroom**.

The Field of Dreams **annual fundraising gala** which raised more than \$219,000 – our most successful event yet!

Our **annual scholarship reception** where we bring our donors and recipients together to meet and learn about one another.

The **Barbara L. Smith Event Center** stands as a testament to a gift that will create lasting opportunities for students for generations.

All of these and more brought our community closer together in support of education!

A STUDENT THANK YOU:

I would like to sincerely thank you for this generous \$500 grant.

The funds will help cover my educational expenses, making it possible for me to stay focused on my studies in the EMT program. My ultimate dream is to become a doctor, so having this support truly means the world to me. Receiving these funds is a reminder that there are people who want to see me succeed - I am truly grateful for your kindness and support.
