TOPIC	DISCUSSION	FURTHER ACTION
Date/Time	Thursday, March 3, 2022 at 4:00 p.m. via ZOOM.	
Call to Order & Opening Comments	Meeting called to order by Dr. Phong Nguyen at 4:01 p.m.	
Consent Agenda	Consent Agenda: a. Approve minutes of the 12-17-21 meeting b. Approve 990's and Audi for FY end 6-30-21 c. Approve contract with Good Steward Accounting Services d. Accept donations \$2,500 and above: • \$284,234.00 – CHC Student Senate 02/17/21 New Endowment Account • \$20,000.00 – William and Paula Aborn 12/21/21 442-Ahlborn Endowment Fund • \$8,374.00 – IECF 12/20/21 703-Community Foundation Fund • \$5,000.00 – IECF 12/20/21 721-Molly Adams Scholarship • \$4,200.00 – Foundation CCC 01/14/22 736-Osher Scholarship • \$4,200.00 – Donald Averill 01/05/22 858.07-President's Circle 400-Endowment Fund 705-Averill Scholarship • \$3,000.00 – Sara Clopine 12/20/21 858.07 President's Circle 756-Clopine Scholarship • \$3,000.00 – William W. Clopine 12/9/21 756-Clopine Scholarship Motion to approve made by: Bill Nassar Motion seconded by: Madeleine Boone	

Motion was unanimously approved.	
Kevin introduced John Spevak from the Collaborative Brain Trust. He is here to get feedback from the CHC Foundation members for the updated CHC Educational Master Plan document. John indicated they are developing two Educational Master Plan documents simultaneously (one for CHC and one for SBVC). These documents will be foldeed into the SBCCD overall district plan. He asked the CHC board members to discuss what you think is working at CHC? What you think needs improvement? What you want to see in the next plan?	
Here is a list of items board members discussed without names attached:	
Commercial pilot license program (SBVC has aviation	
 Workforce training. Our largest private local company need employees with the manufacturing of small connectors. Expand manufacturing/machinist training, mechanical engineering, distribution system logistics SBVC has a machinist program but to helping Sorenson 	
Need to support local businesses better	
Happy with 4 year degree opportunity at CHC	
CHC has to offer	
 Need to streamline pathways to degrees and degree transfer 	
 Project management certification program (help with preparing for certifications) 	
Like the outreach banners in Yucaipa	
Like the athletics program	
Need to research and apply for more grants	
Expand dual enrollment	
Connecting with local businesses for paid internships for	
Non-profit management courses	
California does not have the same good reputation as	
community colleges in other states – how can we fix that	
 Create better process to get events and information to students 	
Be involved in the community i.e.: chamber of commerce	
Make library more accessible to community	
Get people to campus to enjoy theater and music performances	
Need to create pathways at HS level so HS students are	
aware of all the wonderful programs offered at CHC	
	 here to get feedback from the CHC Foundation members for the updated CHC Educational Master Plan documents simultaneously (one for CHC and one for SBVC). These documents will be foldeed into the SBCCD overall district plan. He asked the CHC board members to discuss what you think is working at CHC? What you think needs improvement? What you want to see in the next plan? Here is a list of items board members discussed without names attached: Commercial pilot license program (SBVC has aviation mechanics courses only) Need for more vocational type courses Internships Workforce training. Our largest private local company need employees with the manufacturing of small connectors. Expan manufacturing/machinist training, mechanical engineering, distribution system logistics SBVC has a machinist program but to helping Sorenson and pulling students from Calimesa/Beaumont, CHC might also want a machinist program/certificate Need to support local businesses better Happy with 4 year degree opportunity at CHC Need to support local businesses better Need to support local businesses Like the outreach banners in Yucaipa Like the Sourselors to help us enroll students Openet division STEM courses more flexible Need to add merical assistant certificate Upper division STEM courses more flexible Need to add nersing assistant certificate Upper division STEM courses for paid internships for our students Non-profit management courses California does not have the same good reputation as community colleges in other states – how can we

 Need to be very careful to not waste resources and only add programs that will be successful Still have problem with Redlands HS courselors telling students they need to go to 4 year college Need more outreach to our community partners Le. ESRI Help students learn how to be successfully self-employed Program to help first generation students/returning adults Look at 4 year degee programs at CHC programs for fire and police for our students completing 2 year degrees. Adopt a method campus wide moving out where we are and get to where the students are: more velcome booths, more signage, more financial aid in the middle of campus, more involvement in the community Still seeing gaps in educational attainment for Hispanic students. Inative American students and African American students. Supply Chain management program College Update- Dr. Kevin Horan Continuing to evaluate orgoing changes regarding COVID-19 requirement. Governor Newsome made changes to the mask mandate and the District is in process on how we will implement the new guidelines. Spring registration is around the corner. We are lin the process of implementing Student vaccine mandate. New Projects – Mike Strong Public safety We have completed 50% construction documents Should brake ground on the Public Safety Training Center in December 2022. Mike will share rendenings at the next meeting Performing Arts Center PAC is designed and in the approval process Should start construction around the end of the year Will share rendenings at the next meeting Performing at solutent center Budget Report – Mike Strong \$744,628,60 in checking account \$34,334,67 in Merrill Lynch Investment \$13,334,467 in Merrill Lynch Investment We have just shy of 7% annualized rate of retur		Expand non-credit course offerings	
add programs that will be successful • Still have problem with Rediands HS counselors telling students they need to go to 4 year college • Need more outreach to our community partners Le. ESRI • Help students learn how to be successfully self-employed • Program to help first generation students/returning adults • Lock at 4 year degee programs at CHC programs for fire and police for our students completing 2 year degrees. • Adopt a method campus wide moving out where we are and get to where the students are: more welcome booths, more signage, more funcatal adi in the middle of campus, more involvement in the community • Still seeing gaps in educational attainment for Hispanic students, native American student and African American students. • College Update- Dr. Kevin Horan • Continuing to evaluate ongoing changes regarding COVID-19 requirement. Goveron Newsome made changes to the mask mandate and the District is in process on how we will implement the new guidelines. • Spring registration is around the corner. We are in the process of implementing Student vaccine mandate now. We have already implemented employee vaccine mandate now. We have already implemented employee vaccine mandate not. recommended \$120,000 from the checking account he mayod to			
recommended \$420,000 from the checking account be moved to the Merill Lynch Investment account. The Executive Committee			
approved this in February and we have begun feathering the funds			
to Merrill Lynch.			
 Investment committee will meet again in April to decide if they want 			
to take an additional \$100,000 from the checking account.			

	 Working to improve procedures and accounting and are working with Good Steward Accounting Services, Valerie Vega. We will be transitioning to an improved chart of accounts. Development – Michelle Working on the 50th Anniversary Gala which is on April 21st Still need more people to register and attend. Need to get some fun "experience" things to auction off. Sam got Angel tickets. We are especially looking for behind the scenes things that you can't buy. April 9, 2022 at 10:30 a.m we will be dedicating the Ahlborn Canyon Hall courtyard, Please come to help us thank them. Need scholarship readers. 	
Adjournment	Adjourned at: 5:30 p.m.	
Next Board Meeting	June 16, 2022, 4:00 p.m. – in person
